**SPECIAL EDITION!**

**Vol. 21, Issue 11.1**

**November**

**2013**

## From the Editor

Our adventurous and successful regional convention is now history. But not forgotten. Next month's newsletter is an extra large cumulative look at the models, the winners and the behind the scenes of the show. I'm also designing a 20 year history book of and for the club.

*What I need from you; Pictures!, anicdotes (stories), great deals you got from vendors, raffle wins and Pictures! Also, I need any stories from the past 20 years of the club. Road trip stories, great deals/finds at shows, models you saw, models you're proud of, awards you recieved, etc.*

*Whether you've been here from the beginning or just a couple years or months, all contributions are appreciated.*

### Deadline!

Deadline for submitting the show and stories etc. pictures is now! Realisticly by Nov. 30, 2013.

History stories and pictures by Dec. 28, 2013.

We have 20 years of scale modeling club history and that's pretty impressive. Please help preserve this with your contributions of pictures and stories.

Send pics and stories to me by email at [snillumt@yahoo.com](mailto:snillumt@yahoo.com). Be clear if what you are sending is for the regional or history publication. – Thanks, Tim M

## From the Prez...

Remember the November business meeting is the third, (3rd) Thursday of the month due to the Thanksgiving holiday. Make plans to attend the Christmas dinner and get-together on Dec. 7 (hopefully not a day of infamy!) at the Roanoker Restaurant. Devin Bledsoe has reserved a private room for us and everyone bring a wrapped kit or book or modeling-related gift for a nice spirited round of "Dirty Santa". Should be fun! Our next road trip is to Richmond for the Old Dominion Open in February — if we can get enough riders we may rent the RVIPMS mobile again. Let me know if you are interested in the trip. Oh, and remember, build some models.
